BRIEF SUMMARY

Name of the Activity :

Guest Lecture on “**Career Guidance**”

Date of the Activity :

4th February 2026

Organizing Department :

Department of B.C.A.

Resource Person :

Prof. S. R. Garud

Head, Department of History

Karmaveer Bhaurao Patil College, Urun-Islampur

The Department of B.C.A. organized a Guest Lecture on “Career Guidance” on 4th February 2026. The program was conducted in the presence of the Head of the Department, Mr. P. M. More. The resource person, Prof. S. R. Garud, was introduced and welcomed by Asst. Prof. Mr. P. M. More.

Prof. S.R.Garud sir discussed to help students understand various career opportunities, skill requirements, and future trends in their respective fields. Such lectures aim to bridge the gap between academic learning and industry expectations, especially in the rapidly evolving digital era.

Purpose of Career Guidance Guest Lecture :

- To guide students in choosing the right career path
- To create awareness about emerging career opportunities
- To motivate students to develop professional and technical skills
- To prepare students for global challenges and competitive job markets

Key Topics Covered :

- Importance of career planning and goal setting
- Impact of the digital age on careers
- Required skills for future employment
- Higher education and certification opportunities
- Ethical and legal awareness in professional life
- Role of technology and innovation in career development

The program concluded with a vote of thanks by Prof. Smt. P. S. Kadam, who expressed gratitude to the resource person, faculty members, and students.

OBJECTIVES

- To guide students about career opportunities in the digital era
- To create awareness about the challenges of education in the digital age
- To understand the importance of updating skills to meet global demands
- To discuss the impact of Intellectual Property Rights (IPR) in Computer Science

OUTCOMES

- Students gained awareness about career planning in the digital age
Participants understood current educational and technological challenges
- Awareness regarding Intellectual Property Rights in Computer Science was enhanced
- Students developed clarity about ethical and legal issues in the use of technology

FEEDBACK

Students expressed positive feedback and shared that the lecture was informative, interactive, and helpful in understanding career guidance, digital responsibility, and legal awareness.

CONCLUSION

The guest lecture was successful in achieving its objectives and provided valuable insights into career development, digital education, and intellectual property rights.
