In today’s rapidly evolving economic environment, start-ups play a vital role in innovation, employment generation, and overall economic growth. To encourage young entrepreneurs, the Government of India has introduced various schemes, training programs, and financial support systems. Creating awareness about these opportunities among students is essential to promote entrepreneurship and self-employment.

With this objective, the Department of B.C.A. organized a **One Day Workshop on “Government Schemes, Courses and Financial Assessment for Start-Ups”** on Wednesday, 24th December 2025. The workshop was organized to create awareness among students about entrepreneurial opportunities, skill development courses, and financial planning essentials required to start and sustain a business.

The workshop session was conducted by: **Mr. Kiran P. Kale**, Senior Engineer, IDEMI, MSME, Mumbai **and Mr. Sachin K. Nikam**, Librarian, IDEMI, MSME, Mumbai. Both resource persons shared valuable insights based on their professional experience and expertise in entrepreneurship development and government-supported initiatives.

Inauguration and Welcome :

The program commenced with a warm welcome and introduction of the workshop by Mr. Ranjeet B. Chavan. The welcome and formal introduction of the resource persons were delivered by Dr. P. N. Chavan Sir on behalf of the department and the institution.

Session Highlights :

During the workshop, the resource persons explained:

- Various government schemes available for start-ups and entrepreneurs
- Skill development and training courses supported by government agencies
- Financial assessment and planning, including funding sources and budgeting
- Opportunities and challenges faced by start-ups in the current economic scenario

The session focused on creating awareness among students about how to start, manage, and sustain a business with proper financial planning and utilization of government support.

Interaction and Participation :

The workshop witnessed active participation from students, resulting in an interactive and engaging learning environment. A discussion session followed, during which faculty members and the resource persons shared insights on the importance of entrepreneurial skills in academic learning as well as industry and business careers. Students actively interacted with the speakers and clarified their queries.

The event was smoothly anchored by Ms. Varsha Sankpal Madam. The workshop concluded with a vote of thanks delivered by Mr. Sagar P. Pardhi Sir, who expressed sincere gratitude to the resource persons, faculty members, and students for their cooperation and active participation.

The workshop was highly informative and successful in achieving its objectives by motivating students to explore entrepreneurship as a viable career option.

OBJECTIVES

The main objectives of the workshop were:

- To create awareness about government schemes supporting start-ups
- To introduce entrepreneurship and skill development courses
- To explain the importance of financial assessment and planning
- To motivate students to consider entrepreneurship as a career option

OUTCOMES

The workshop was highly informative and interactive. Students gained:

- Awareness of government support systems
- Knowledge of skill enhancement opportunities
- Understanding of financial planning and assessment
- Motivation to explore entrepreneurship as a viable career path

CONCLUSION

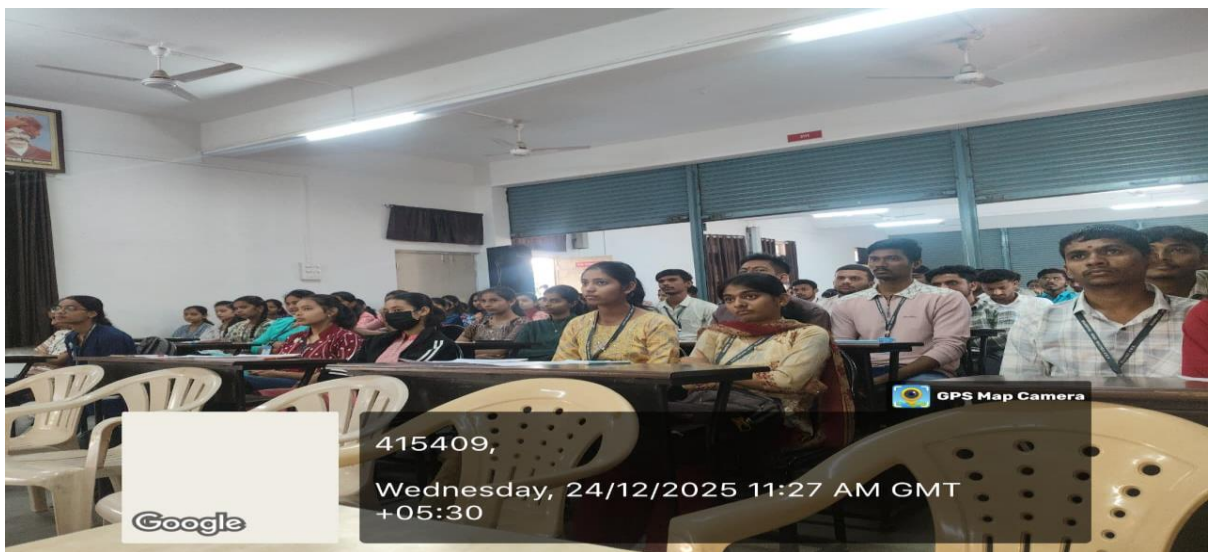

The workshop on “**Government Schemes, Courses and Financial Assessment for Start-Ups**” successfully achieved its objectives. It provided valuable insights into government initiatives, skill development opportunities, and financial management practices. Such workshops play a crucial role in nurturing entrepreneurial thinking among students and preparing them for future business ventures.
