BRIEF SUMMARY

Name of the Activity

Training and Placement Guidance Activity by Orange iTech

Date of the Activity

Thursday, 5th February 2026

Organizing Department

Department of B.C.A.

Karmaveer Bhaurao Patil College, Urun-Islampur

Resource Person

Mrs. Archana Nigade

CEO & Director Orange iTech

With the objective of enhancing students' career readiness and employability, the Department of B.C.A. organized a **Training and Placement Guidance Session** in the college. The session focused on guiding students on how to prepare for placements, how to work effectively in the corporate environment, and understanding the latest technologies trending in the IT industry.

The Department had the privilege of welcoming **Mrs. Archana Nigade** as the Guest Speaker for the session. She is the CEO and Director of **Orange iTech** and has over 12 years of rich experience in the IT and training industry. Mrs. Nigade is dedicated to empowering students and guiding them toward successful careers in the IT sector. Under her leadership, she has trained more than 10,000 students and successfully placed over 4,000 students in leading IT companies. She has also conducted more than 100 seminars across reputed colleges as a Guest Lecturer, thereby strengthening the connection between academia and industry. She holds a Master's degree in Computer Science (A+) and is certified as an OCJP (Oracle Certified Java Programmer) and ISTQB. Her strong technical expertise, leadership qualities, and passion for teaching make her an inspiration to students.

The session began with a warm welcome and introduction of the guest, followed by an insightful and interactive lecture. The resource person provided practical insights into industry expectations, recruitment processes, and essential skill development. She explained how students should prepare for aptitude tests, technical interviews, group discussions, and HR interviews. Special emphasis was given to improving communication skills, problem-solving abilities, resume building, and professional behavior in the workplace.

She also highlighted the importance of learning and upgrading skills in the latest technologies such as Artificial Intelligence (AI), Machine Learning (ML), Data Science, Cyber Security, Cloud Computing, Full Stack Development, and other emerging open-source technologies. Students were encouraged to work on real-time projects, internships, certifications, and online courses to strengthen their technical knowledge.

The session was highly informative and interactive. Students actively participated by asking questions related to career opportunities, higher studies, certifications, and job market trends. The program helped students gain clarity about industry requirements and motivated them to start early preparation for placements.

The session concluded with a vote of thanks, expressing gratitude to the resource person and organizers for conducting such an insightful and career-oriented program.

OBJECTIVES

1. To enhance students' career readiness and employability skills.
2. To provide guidance on preparation for campus placements and competitive recruitment processes.
3. To create awareness about current industry expectations and corporate work culture.
4. To introduce students to the latest and emerging technologies in the IT sector.
5. To motivate students to upgrade their technical, communication, and professional skills.

OUTCOMES

1. Students gained a clear understanding of the placement process, including aptitude tests, technical interviews, group discussions, and HR interviews.
2. Students became aware of the importance of communication skills, resume building, and professional behaviour.
3. Participants learned about trending technologies such as AI, ML, Data Science, Cyber Security, Cloud Computing, and Full Stack Development.
4. Students were motivated to pursue certifications, internships, and real-time projects to strengthen their technical knowledge.
5. The session boosted students' confidence and encouraged them to begin early preparation for placements.

CONCLUSION

The Training and Placement Guidance Session was highly informative and beneficial for the students. It provided valuable insights into industry requirements, career opportunities, and emerging technologies. The session successfully achieved its objective of preparing students for future career challenges and motivating them to enhance their technical and professional skills. Overall, the program proved to be a significant step toward improving students' employability and career development.
