Guest Lecture on “Career Guidance”

Date & Time: 14th February, 2025, 11.00 AM

Venue: Block No. F7

Organized

By

Department of B.C.A

The Department of B.C.A organized a guest lecture on “**Career Guidance**” on **14th February 2025**. The objective of this session was to help students understand the importance of career planning and explore the various opportunities in the field of **Computer Science**.

The session was graced by **Mr. Shankar Pujari**, a distinguished faculty member from **D.Y. Patil College, Talsande**, who served as the resource person for the day. The event commenced with a warm welcome and an introduction of the guest speaker by **Prof. Mr. P.M. More**.

Mr. Pujari delivered an insightful and interactive lecture, engaging both students and faculty members. He spoke about various career paths available in the realm of Computer Science, including emerging trends, required skills, and industry expectations. He also shared practical guidance on how students can align their academic pursuits with their career goals.

The session concluded with a lively discussion involving the resource person and faculty members, followed by a **Valedictory function**. During the feedback session, students expressed their gratitude and shared how the lecture had provided them with valuable clarity and motivation regarding their future career choices.

Finally, **Prof. Mr. K.P. Menkudale** delivered the **Vote of Thanks**, expressing appreciation to Mr. Pujari for his valuable time and knowledge, and to all those who contributed to the success of the event.

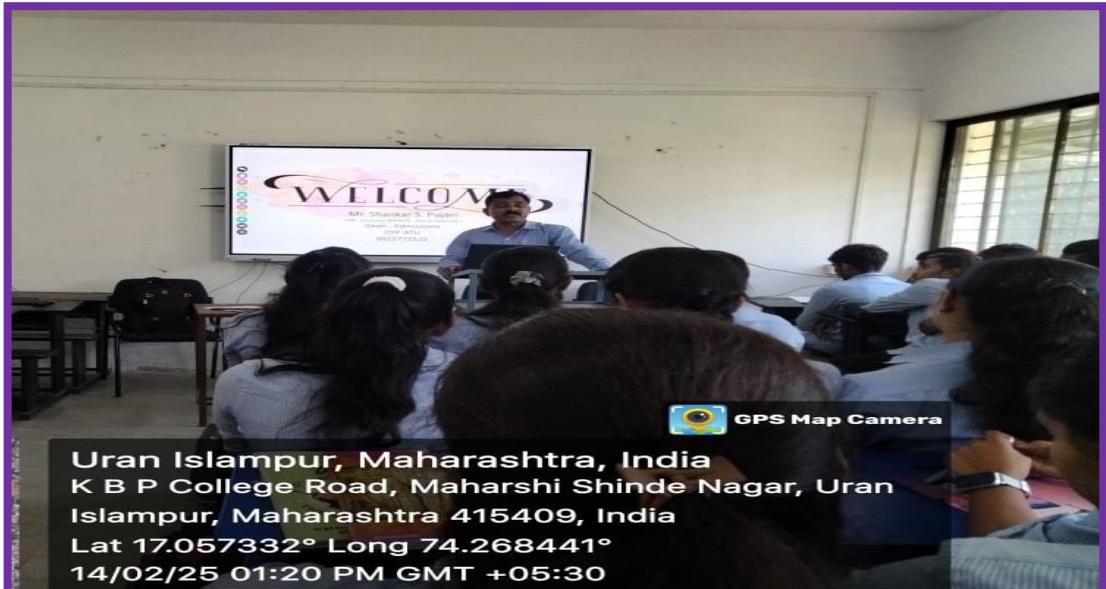

Objectives of Career Guidance

- Self-Awareness
- Goal Setting
- Skill Development
- Industry Awareness
- Decision-Making Skills
- Internship and Job Preparation
- Lifelong Learning
- Ethical and Professional Values

39.	Shubham Sanjay B hosde	<i>Shubham Sanjay B hosde</i>

Outcomes

- Enhanced **Career Awareness**: Students gained a clearer understanding of the various career opportunities available in the field of Computer Science.
- Improved **Decision-Making**: The session helped students make informed decisions about their future educational and professional paths.
- Motivation and **Goal Setting**: Students felt motivated to set career goals and work towards achieving them through structured planning and continuous learning.
- Skill **Development Insights**: The importance of both technical and soft skills was emphasized, guiding students on what areas they need to improve for industry readiness.
- Encouragement for **Lifelong Learning**: The importance of adapting to new technologies and continuous upskilling was reinforced.
- Positive **Student Feedback**: Students expressed that the session was informative, inspiring, and helpful for planning their careers.
