Introduction

Our college organized a Kaushalya Vikas (Skill Development) Event on 08/01/2026 to 10/012026 in the college campus. The main objective of the event was to enhance students' creativity, practical skills, teamwork, and confidence through various activities.

The event included competitions such as

Best from Waste

Rangoli Competition

Drawing Competition

Poster Presentation.

In the Best from Waste competition, students creatively prepared useful and decorative items from waste materials like newspapers, plastic bottles, cardboard, and old CDs. The activity promoted environmental awareness and recycling habits.

The Rangoli Competition displayed beautiful and colorful designs based on themes like social awareness, women empowerment, environmental protection, and Indian culture. Students showed excellent artistic skills and creativity.

In the Drawing Competition, participants expressed their ideas through sketches and paintings. Various meaningful themes were presented with attractive color combinations.

The Poster Presentation competition helped students improve their communication and presentation skills. Participants confidently explained their posters on important social and educational topics.

The event was inaugurated by the Principal, **Dr.N.S.Shinde** , who encouraged students to participate actively in skill-based activities. The judges appreciated the efforts and creativity of all participants. Winners were awarded certificates and prizes.

The Kaushalya Vikas event was a great success. It provided a platform for students to showcase their talents and develop essential life skills along with academic knowledge.
