STUDY TOUR REPORT

Route:-Islampur-Kolhapur-Kagal-Islampur

As part of our curriculum activity, a tour was organized by the Department of Computer Science to Kolhapur on December 20th, 2025, led by Prof. V. P. Patil and Miss S. S. Kachare. Educational tours are a vital component of the curriculum for B.Sc. Part-III students, aimed at enhancing their studies for a better future and increasing awareness of industry practices.

We departed from Islampur at 8:00 a.m. and reached Kolhapur at 10:00 a.m. Our first stop was the Ipro Recruitment Hub, where Mr. Abhay Mane, Director of Ipro, welcomed us and introduced their staff. Mr. Vishal then provided detailed information about networking and related courses in the field. He explained how students are placed through their system, answered queries, and demonstrated some networking devices.

Following this, Dr. Vivek addressed the students on how to present themselves during interviews and shared valuable insights on personality development. The visit to Ipro greatly enhanced the students' knowledge and understanding of industry requirements.

We departed from Ipro at 12:30 p.m. and visited Sahu Palace at 1:00 p.m. After exploring Sahu Palace, we traveled to Kagal to visit the Mini Goa spot. On our return journey, we stopped for dinner at Vathar and finally reached Islampur at 11:00 p.m.
