Report

Department of Information Technology, conducted Poster Presentation Activity on 21/11/2024 November 2024 Tuesday from 11:00 am to 12:00 pm for TY classes.

A poster presentation is a way to communicate your research or your understanding of a topic in a short and concise format. It helps to improve your skill, Communication, your ability to express your technical views. Poster presentations develop your ability to communicate perceptively and concisely an important workplace skill. The purpose of your poster presentation will be shaped by how they are used in your discipline and by the assessment task itself.

The objective of the competition was to ignite the fire of imagination and creativity in the students. The theme of the competition was "Digital India". Students were asked to express their ideas through paintings, sketches and many more. Students displayed their artistic skills through an array of posters with immense enthusiasm and made beautiful posters which described how technology can help society in various sectors and also help in rapid economic growth and citizen empowerment across the globe. All poster's theme describes that how digital technology can empower every citizen with access to digital services, knowledge and information.

I am thankful to the Principal of Dr.Prof. N.S.Shnide Sir and Dr.Prof. P.V.Gaikwad for guidance. Also thank you to all faculties and students who participated in this activity.
