**One Day Workshop on B. Sc. Part- I New Revised Syllabus Funded  
by Shivaji University, Kolhapur**

**Session-wise Brief Report**

**Reference:** SU/Seminar/NRSWO/2024-25/401 Date: 15/07/2024.

**Date: 08/08/2024. Inaugural Function**

For inaugural ceremony, Hon. In-charge Principal Prof. (Dr.) Nitin Shinde was present as a Chair Person; Prof. (Dr.) G. B. Kolekar was present as a Chief Guest. Prof. (Dr.) S. A. Kamble after welcoming all participants, introduced the event. During inaugural function, there was felicitation of Prof. (Dr.) S. A. Kamble for the successful completion of his 35 years of service in the college. He started his career as a Lecturer in Chemistry but recently he was promoted for the Professor Designation by Shivaji University, Kolhapur. During his speech Prof. Dr. Kolekar put before the audience about the recent scenario in the higher education sector. He informed about the framework of B. Sc. Part I Sem Second syllabus. He discussed about the issues of chemistry to be emphasized. He appealed the participants to be ready for considerable change in the higher education sector. Prof. (Dr.) Nitin Shinde spoke about the attendance of the students in the college for lectures and practical. He said that, in post Covid -19 period, most of the students are not regularly attending the college and this is very dangerous situation. The event was enriched by guidance of chief guest and chair person followed by vote of thanks. Dr. Sandesh Jirage proposed vote of thanks.

**Date: 08/08/2024, Session I and II (Physical Chemistry Theory and Practical Experiments)**

In this session (Dr.) D. K. Dalavi has worked as a resource person. He discussed about the New Revised Frame work of the Physical Chemistry Paper III. In later phase of his speech, he discussed about the experiments included in the practical syllabus of B. Sc. I Sem II.

He appealed the audience especially young teachers and researchers to work for innovative ideas for teaching of the physical chemistry theory. He explained the outline of all the topics included in the syllabus of the Physical Chemistry Paper III Semester II. Prof. (Dr.) V. A. Kalantre has worked as the Chair Person for this session. He also emphasized on how to teach difficult concepts in the subject by simple ways which will create interest among students. Miss Priyanka Patil proposed vote of thanks.

**Date: 08/08/2024, Session III (Analytical Chemistry Theory and Practical Experiments)**

In this session, Prof. (Dr.) A. M. Nalawade has worked as a Resource Person and Dr. A. M. Hasure Chaired the session. Dr. Nalawade discussed about how to create interest among students. He advised to conduct experiments which are related in dy-To-Day life of the students. He proved with his own experience in his college. In later phase, he emphasized on the activities in the chemical industries, what bare the bindings on such industries, and how Government controls on these industries. According to him, there is binding on the chemical industries to publish Material Safety Data Information Sheets and must be fixed on the container of the particular chemical. Dr. Hasure who has been working as a Vice Principal of Shivraj Mahavidyalaya, Gadhinglaj outlined the importance of Analysis in Day-To Day Human Life. He also appealed the young faculty to adapt changes in the higher education system. Supriya Patil proposed vote of thanks.

**Date: 08/08/2024, Valedictory Function**

Chairperson: Hon. Dr. P. V. Gaikwad, Chief Guest Hon. Prof. Dr. R. K. Mane, Special Guest: Prof. (Dr.) S. R. Mane, Introduction by: Dr. S. A. Kamble. Dr. Sandesh Jirage introduced the guests. This event comprised opinion of the participants, certificate distribution and opinion of all the dignitaries on the stage. At the beginning of valedictory, the review of the Workshop was taken by Dr. S. N. Lad Later participants expressed their opinion regarding organization of the Workshop. Speech by Chief Guests Hon. Prof. Dr. R. K. Mane, Chair Person, Special Guest: Prof. (Dr.) S. R. Mane, and Chairperson: Hon. Dr. P. V. Gaikwad. Vote of thanks was proposed by Jyoti Sutar.
