'National Science Day Celebration'

'Open Day Activity'

On occasion of National Science Day on behalf of Department of Chemistry One Day 'Open Day Activity' with the theme "Building Public Trust in Science" was organized on 28/02/2025. At the beginning Dr S. B. Jirage welcomed guests and introduced the event. He put forth the importance of 'Open Day Activity' and appealed to students to participate thoroughly in activity. He explained that an Open Day activity an event showcasing an organization's facilities, activities, or educational offerings to the public. It typically includes information on the event's purpose, attendees, activities, and outcomes.

At the inaugural function of Vice Principal Dr. P. V. Gaikwad, inaugurated the activity and He told that such activities helps to improve your skill, Communication, your ability to express your technical views.

More than 50 students of UG and PG sections were participated in event and all faculty of Chemistry Department were participated and monitored the event. The event welcomed 70 students from arts and Commerce stream. These students had the chance to visit and explore various science laboratories on the campus, including those of Chemistry (UG and PG) Inorganic, Organic and Physical sections. The Department played a crucial role in the event by exhibiting various experiments like **Lava** Lamps, Color Changing Chemistry experiments, titrations, Preparations of some colourful solutions etc. In addition to live demonstrations, the department displayed numerous preserved samples and provided students with a brief yet informative description of different laboratory instruments. This exposure helped students understand the importance of Chemistry and its applications in the real world. During their visit, students showed immense enthusiasm and curiosity as they toured all the science departments and laboratories. They actively engaged with the exhibits and models, listening attentively to explanations and posing insightful questions to faculty members and demonstrators. Their participation highlighted a genuine interest in scientific learning and discovery.

Dr. N. S. Shinde presided over the function. Dr. P. N. Chavan proposed vote of thanks. Ms Varsha Sankpal involved as an anchors.
