Subject: Permission for Industrial Visit.

Respected Sir/Madam,

On behalf of Karmaveer Bhaurao Patil College, Urun-Islampur where I serve as the Head of, Department of Microbiology, I wish to request for permission to conduct an industrial visit at your industry.

We wish to undertake an industrial visit at your industry on 17/01/2025 at 9.00am to acquire practical knowledge in Milk and industrial microbiology. We believe that your company will give our students relevant knowledge during this visit.

A group of 16 students in B.Sc. III Microbiology and 4 faculty members intend to participate in this industrial visit.

Please allow us to conduct an industrial visit to your industry and meet your skilled employee. Kindly contact us if there are other requirements for the visit.

Thank you in advance.

Yours faithfully,

Head

Year 2024-2025
Industrial Visit/ Study Tour Report

Name of Department: Microbiology

Name of Convener: Patil Shraddha Bajirao

Date of Visited: 18/01/2025 to 19/01/2025

No. of Students Participated (Male and Female): (9 M,7 F)

List of Students: Attached separately

No. of Teacher Participants with Name: 1. Soujanya Shital Nilakhe

2. Patil Shraddha Bajirao

3. Jadhav Priyanka Pralhad

Route: Islampur-Gokul Dudh Sangh-Malvan-Islampur

Place of Visit: Gokul Dudh Sangh, Shirol Kolhapur.

Objectives of Visit/ Tour: To provide the students insight regarding internal working of preparation of milk products, milk preservation methods. Gaining insights into modern technologies used in milk processing, refrigeration, quality control, and packaging. Bridging the gap between theoretical knowledge gained in the classroom and real-world industry practices, which helps students or visitors develop practical insights. Exploring potential career paths in the dairy industry, as well as research and development areas for innovation in dairy processing.

Mode of Travel: By Travels.

Summary/ Recommendations: Students visited preparation of milk products, They got information about the pasteurization technique.

Outcome/ Conclusion: Student got knowledge about milk processing. Visitors can relate their theoretical knowledge from academic studies to real-world practices, helping them bridge the gap between theory and practice. Many visitors, especially students, gain awareness of potential career opportunities within the dairy industry, as well as research and development areas where innovation is occurring. In conclusion, the dairy industrial visit provides valuable hands-on learning, offers insights into the complexities of dairy production, and helps participants develop a more comprehensive understanding of the industry's operations, challenges, and future opportunities.

Industrial visit at Gokul Dudh Sangh, Shirol Kolhapur
