Report

1. Introduction

The Department of Biotechnology (Entire) & Health Centre organized "Blood Group Detection Camp" on 20th August, 2026. The activity was organized with the objective of creating awareness about the importance of knowing one's blood group and providing an opportunity for blood group testing to the college community.

2. Programme Details

The programme began with a welcome and introduction by A. P. Patil. The Chief Guest for the activity was Dr. P. V. Gaikwad, Principal, K. B. P. College, Urun-Islampur. The programme was chaired by Dr. S. N. Lad, Department of Chemistry. The notable presence of Sandip Patil, Vice Principal, K. B. P. College, Urun-Islampur, Angat Patil and Prof. S. R. Nangare added to the significance of the programme. The activity concluded with a vote of thanks proposed by A. I. Kazi.

3. Participation and Blood Group Testing

A total of 135 visitors attended the Blood Group Detection Camp. The participants included students, teaching staff and non-teaching staff. Out of the total visitors, 108 individuals underwent blood group testing during the camp.

Particulars	Number
Total Visitors	135
Blood Group Tests Performed	108
Participants	Students, Teaching Staff and Non-Teaching Staff

4. Outcome of the Activity

The camp received a good response from the college community. The activity helped participants to know their blood groups and increased awareness regarding the importance of blood grouping, blood donation and compatibility during medical emergencies. The event also provided practical exposure and a valuable learning experience to the students of Biotechnology.

5. Conclusion

The Blood Group Detection Camp was successfully conducted with the active participation of students, teaching staff and non-teaching staff. The presence of 135 visitors and the successful testing of 108 individuals reflected the positive response to the activity. The Department of Biotechnology expresses sincere gratitude to the Chief Guest, Chairman, all participants and everyone who contributed to the successful organization of the camp.
