Date: 24/10/24

## Notice

All the student of BSc-III are here by informed that the Department of Physics conduct the activity on Career Guidance on Research for BSc Students-2 dated 25/10/2024.

All the student are requested to be present for the activity.

Venue: Department of Physics

Time: 12.00 pm to 1.00 pm

**Activity Title: Career Guidance on Research for BSc Students**

**Delivered By:** Mr. Sanket Mali (Alumnus of KBP College)

**Date:** 25/10/2024

**Target Audience:** BSc Students

❖ **Objective of the Activity:**

The primary goal of this career guidance session was to introduce BSc students to the various opportunities within research careers, provide them with insights into pursuing research, and highlight the importance of building skills necessary for a career in this field. Mr. Sanket Mali, an accomplished alumnus, shared his experiences and expertise to help guide students interested in research and its associated disciplines.

❖ **Summary of the Activity:** :

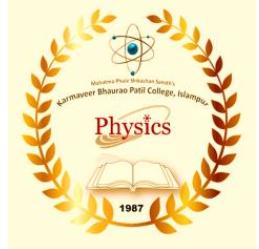

Mr. Sanket Mali, a proud alumnus of KBP College, delivered a highly engaging and informative career guidance session on pursuing research as a career. He drew from his personal journey to demonstrate the pathways and opportunities in the research field, motivating students to consider research as a viable and rewarding career option. Throughout the session, Mr. Mali shared practical advice, career tips, and examples that would aid students in pursuing research after completing their BSc.

Mr. Mali began by discussing the critical role of research in solving real-world problems, advancing technology, and contributing to scientific knowledge. He emphasized that research is not confined to academic settings but extends across industries, government agencies, and healthcare organizations. He outlined the diverse career opportunities in research. Mr. Mali also highlighted key skills essential for success in research. He discussed the importance of pursuing advanced studies, such as Master's degrees and PhDs, to specialize in a chosen research area. Mr. Mali emphasized that continuing education opens doors to more advanced roles in research and can significantly enhance career prospects.

Drawing from his own experience, Mr. Mali encouraged students to start building their research profiles early. He suggested participating in internships, engaging in hands-on projects, and attending research conferences to gain exposure. Additionally, he emphasized the importance of publishing research papers to gain credibility in the field. Mr. Mali explained how obtaining funding is crucial for

conducting research. He shared tips on applying for research grants and scholarships and how to seek out fellowships that support research projects. The session also touched on the challenges researchers face, such as long working hours, the need for perseverance, and sometimes slow progress. However, Mr. Mali assured the students that the intellectual satisfaction and the potential to contribute to meaningful scientific discoveries made research a highly rewarding career.

❖ **Outcome of the Activity:**

- ❖ Students gained a broader perspective on the range of career opportunities available in research, as well as the necessary skills and qualifications needed to succeed.
- ❖ The session sparked interest among students who were previously unsure about research as a career path, encouraging many to consider it more seriously.
- ❖ Several students showed interest in pursuing internships, higher studies, and getting involved in research projects to build their careers.

❖ **Feedback:**

The feedback received from the students was very positive. Many students expressed appreciation for Mr. Mali's real-world examples and practical advice, particularly regarding the importance of gaining hands-on research experience. Students felt inspired and informed about how to take their first steps toward a research career. Some students also requested additional guidance on finding mentors and research opportunities.

❖ **Conclusion:**

The career guidance session on research delivered by Mr. Sanket Mali was a highly beneficial and motivating experience for the BSc students of KBP College. His first-hand experiences and career advice helped students understand the steps required to enter and succeed in the research field. The session provided a clearer roadmap for pursuing research and inspired many students to actively explore opportunities in this exciting and impactful career path.
