**Report on Induction Program Conducted**  
**for TYBSc Students**  
**2023-24**

The program was inaugurated by Prof. Nitin Shinde, Vice Principal & Head, Department of Physics in presence of senior faculty members of science faculty. In his inaugural address, Prof. Nitin Shinde explained the students the idea behind organizing the Induction Program .

At the beginning of every academic year, the newly admitted students for Physics are given orientation programs to create awareness on academic and ethical conduct during his / her tenure in College. Awareness program are conducted to orient the students on the rules and regulations and the code of conduct that govern them during the course of study at College.

Mr. Sagar Pardhi, Assistant Professor, Dept of Physics, discussed about the general discipline, rules & regulations, scholarship program, examination pattern as per the revised Choice Based Credit System Pattern and responsibility of the students to develop a new world, full of strengths and possibilities. In which he explored his organization of books and motivated the students to utilize the collection of books/articles/journals and online softwares available.

After his talk, he interacted with the students and discussed various aspects of Physics, satisfied the students with his wise remarks for their concerns in the field of Physics. He encouraged students to their career in research & offered the deserving students for research projects in his laboratory.

The program was concluded with vote of thanks by Dr. Snehal Dubal, Assistant Professor, Dept. of Physics.
